

# CKOHT UPDATE

FEBRUARY 14, 2020

## CKOHT TARGETS FOR YEAR 1

As part of the application process, the Chatham-Kent Ontario Health Team has identified several targets, goals and objectives to achieve in Year 1. Below are some of the targets the CKOHT's partner agencies will collaborate on to help strengthen the local health care system and improve the patient experience.

### Avoidable ED Visits

Improve the rate of avoidable emergency department visits by 5% to 8.8 visits per 1,000 enrolled patients

**5%**

### Hospitalization

Improve the rate of hospitalization for ambulatory care sensitive conditions by 10% to 120.6 per 100,000 patients

**10%**

### Digital First

Adopt a digital first approach in service delivery and monitor the percentage of CKOHT residents digitally accessing their health information

### Partnership

CKOHT partners will work together to ensure information is being properly shared and communicated and to improve transitions between care settings

# ACHIEVING YEAR 1 TARGETS AND BEYOND

The Quadruple Aim framework is an approach to optimizing health care performance through four key pillars: improving the patient experience, improving the health of populations, reducing the cost of health care and improved care team well-being.

The CKOHT has adopted this framework and adjusted it to fit our local needs and objectives to help us achieve success in year one and through maturity.

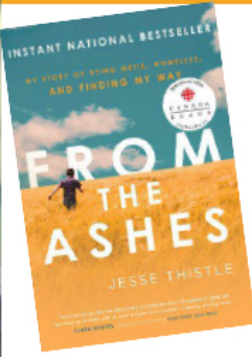

# CKHA PRESENTS A BEST SELLING AUTHOR

CKHA Reads is proud to present author Jesse Thistle for its book club on April 14, 2020. Jesse will be speaking about his book *From The Ashes*, which covers his story of being metis, homeless and finding his way. The book is a best seller and shortlisted for the CBC Canada Reads event in March. Jesse will also be speaking at the Kiwanis Theatre in Chatham that evening. See the flyer below for details.
